## Officers Charge

We welcome you as Officers of this great Lodge and invite you on a rewarding and fulfilling journey to continue the level of excellence in leadership that has been set before you.

As an Officer of this Lodge, I remind you that your actions in and out of the Lodge room reflect the reputation and honor of not only yourself individually, but that of our Members, their good names and their families.

As we embark upon the new Lodge Year, I charge you with maintaining the utmost professionalism and decorum as an Officer of this Lodge. May your decisions and deliberations be tempered with the four cardinal principles of our order:

- Charity: The Cornerstone of our Order

Leaders lead by example. Every officer is expected to participate in the charitable work in which we undertake for the good of all mankind.

- Justice: To Protect and Serve

I charge you to let your decisions remain humble and free from prejudice. Let the laws of our Order guide you in your endeavor to ensure justice for all.

- Brotherly Love: The Golden Rule

Above all else, I charge you to be accepting of all and let your decisions and leadership be guided by compassion, love, and honesty.

- Fidelity: The Discharge of your Duties

Forever remember the Star of Fidelity that burns above our Alter. Let it always guide you in times of darkness and lead you in the faithful discharge of your duties as an Officer.

Finally, strive diligently so that the name of Elk, as borne by you as an Officer of this Lodge, may be worthy of one so chosen to represent the goodwill, love and honor of the members who have elected you to these Offices.
